

FINANCIAL ACKNOWLEDGMENT AND RELEASE

Policy - Payment is due in full at time of service unless prior arrangements have been approved.

Insurance

Services are provided with the understanding that the patient (or Responsible Party) is financially responsible for all charges, whether or not paid by insurance. Dr. Arbab is not affiliated with, nor is she a preferred provider with any insurance organization other than Delta Dental Premiere. Treatment recommendations are based solely on the patient's dental needs, and are not affected or influenced by insurance status. Dental benefits are a contract between you the patient, and the insurance company, and any acquisition of benefit information is done strictly as a courtesy by the office, and is not guaranteed. The office will prepare and submit insurance claims on your behalf also as a courtesy, but you may elect at any time to handle your dental claims personally.

Collections

In the event your account balance becomes more than 60 days overdue, finance charges will be applied, and billing may be turned over to an outside collection agency. The responsible party listed below agrees to pay interest, collection and other legal expenses related to collection of fees owed.
